To the extent they do not contradict these Terms, the rights connected to LFT (Life Token) are subject to the limitations set out in the White Paper, but this should in no case create obligations for the Company in addition to the ones contained in these Terms. The Company reserves the right to circumvent the algorithm used to select the underlying assets if it believes, in its sole discretion, that such selected underlying assets could adversely affect the Company or LFT (Life Token) from a regulatory or legal perspective. 6. Taxation of LFT (Life Token) and Taxation Related to the ICO

The Purchaser bears the sole responsibility to determine if the purchase of LFT (Life Token) with ETH or the potential appreciation or depreciation in the value of LFT (Life Token) over time has tax implications for the Purchaser in the Purchaser's home jurisdiction. The party experiencing the force majeure circumstances shall cooperate with and assist the injured party in all reasonable ways to minimize the impact of force majeure on the injured party.

9. Disclaimer of Warranties

THE PURCHASER EXPRESSLY AGREES THAT THE PURCHASER IS PURCHASING LFT (Life Token) AT THE PURCHASER'S SOLE RISK AND THAT LFT (Life Token) IS PROVIDED ON AN "AS IS" BASIS WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE OR IMPLIED WARRANTIES, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE (EXCEPT ONLY TO THE EXTENT PROHIBITED UNDER APPLICABLE LAW WITH ANY LEGALLY REQUIRED WARRANTY PERIOD TO THE SHORTER OF THIRTY DAYS FROM FIRST USE OR THE MINIMUM PERIOD REQUIRED). 10. Limitations Waiver of Liability

THE PURCHASER ACKNOWLEDGES AND AGREES THAT, TO THE FULLEST EXTENT PERMITTED BY ANY APPLICABLE LAW, THE DISCLAIMERS OF LIABILITY CONTAINED HEREIN APPLY TO ANY AND ALL DAMAGES OR INJURY WHATSOEVER CAUSED BY OR RELATED TO (i) USE OF, OR INABILITY TO USE, LFT (Life Token) OR (ii) THE LFT (Life Token) TEAM UNDER ANY CAUSE OR ACTION WHATSOEVER OF ANY KIND IN ANY JURISDICTION, INCLUDING, WITHOUT LIMITATION, ACTIONS FOR BREACH OF WARRANTY, BREACH OF CONTRACT OR TORT (INCLUDING NEGLIGENCE) AND THAT NONE OF THE LFT (Life Token) TEAM SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES, INCLUDING FOR LOSS OF PROFITS, GOODWILL OR DATA, IN ANY WAY WHATSOEVER ARISING OUT OF THE USE OF, OR INABILITY TO USE, OR PURCHASE OF, OR INABILITY TO PURCHASE, LFT (Life Token), OR ARISING OUT OF ANY INTERACTION WITH THE

SMART CONTRACT IMPLEMENTED IN RELATION TO LFT (Life Token). THE PURCHASER FURTHER SPECIFICALLY ACKNOWLEDGES THAT THE LFT (Life Token) TEAM IS NOT LIABLE FOR THE CONDUCT OF THIRD PARTIES, INCLUDING OTHER PURCHASERS OF LFT (Life Token), AND THAT THE RISK OF PURCHASING AND USING LFT (Life Token) RESTS ENTIRELY WITH THE PURCHASER. TO THE EXTENT PERMISSIBLE UNDER APPLICABLE LAWS, UNDER NO CIRCUMSTANCES WILL ANY OF THE LFT (Life Token) TEAM BE LIABLE TO ANY PURCHASER FOR MORE THAN THE AMOUNT THE PURCHASER HAVE PAID TO THE COMPANY FOR THE PURCHASE OF LFT (Life Token). SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF CERTAIN WARRANTIES OR THE LIMITATION OR EXCLUSION OF LIABILITY FOR CERTAIN TYPES OF DAMAGES. THEREFORE, SOME OF THE ABOVE LIMITATIONS IN THIS SECTION AND ELSEWHERE IN THE TERMS MAY NOT APPLY TO A PURCHASER. IN PARTICULAR, NOTHING IN THESE TERMS SHALL AFFECT THE STATUTORY RIGHTS OF ANY PURCHASER OR EXCLUDE INJURY ARISING FROM ANY WILFUL MISCONDUCT OR FRAUD OF THE LFT (Life Token) TEAM.

11. Complete Agreement

These Terms set forth the entire understanding between the Purchaser and the Company with respect to the purchase and sale of LFT (Life Token). For facts relating to the sale and purchase, the Purchaser agrees to rely only on the Terms in determining purchase decisions and understands that the Terms govern the sale of LFT (Life Token) and supersede any public statements about the LFT (Life Token) sale made by third parties or by the LFT (Life Token) Team or individuals associated with any of the LFT (Life Token) Team, past and present and during the LFT (Life Token) sale.

12. Severability

The Purchaser and the Company agree that if any portion of these Terms is found illegal or unenforceable, in whole or in part, such provision shall, as to such jurisdiction, be ineffective solely to the extent of such determination of invalidity or unenforceability without affecting the validity or enforceability thereof in any other manner or jurisdiction and without affecting the remaining provisions of the Terms, which shall continue to be in full force and effect.

13. No Waiver

The failure of the Company to require or enforce strict performance by the Purchaser of any provision of these Terms or the Company's failure to exercise any right under these Terms shall not be construed as a waiver or relinquishment of the Company's right to assert or rely upon any such provision or right in that or any other instance. The express waiver by the Company of any provision, condition, or requirement of these Terms shall not constitute a waiver of any future obligation to comply with such provision, condition or requirement. Except as expressly and specifically set forth in these Terms, no representations, statements, consents, waivers, or other acts or omissions by the LFT

(Life Token) Team shall be deemed a modification of these Terms nor be legally binding.

14. Updates to the Terms

The Company reserves the right, at its sole discretion, to change, modify, add, or remove portions of the Terms at any time during the sale by posting the amended Terms on the Website. Any Purchaser will be deemed to have accepted such changes by purchasing LFT (Life Token). The Terms may not be otherwise amended except by express consent of both the Purchaser and the Company.

15. Cooperation with Legal Authorities

The Company will cooperate with all law enforcement enquiries, subpoenas, or requests provided they are fully supported and documented by the law in the relevant jurisdictions.

16. Indemnification

To the fullest extent permitted by applicable law, you will indemnify, defend and hold harmless the LFT (Life Token) Team from and against all claims, demands, actions, damages, losses, costs and expenses (including attorneys' fees) that arise from or relate to: (i) your purchase or use of LFT (Life Token); (ii) your responsibilities or obligations under these Terms; (iii) your violation of these Terms; or (iv) your violation of any rights of any other person or entity.

The Company reserves the right to exercise sole control over the defense, at your expense, of any claim subject to indemnification under this Section 18. This indemnity is in addition to, and not in lieu of, any other indemnities set forth in a written agreement between you and the Company.

17. Security

You are responsible for implementing reasonable measures for securing the wallet, vault or other storage mechanism you use to receive and hold LFT (Life Token) purchased from the Company, including any requisite private key(s) or other credentials necessary to access such storage mechanism(s). If your private key(s) or other access credentials are lost, you may lose access to your Tokens. The Company is not responsible for any losses, costs or expenses relating to lost access credentials.

20. Arbitration

Any dispute or difference arising out of or in connection with these Terms or the legal relationships established by these Terms, including any question regarding its existence, validity or termination (“Dispute”), shall be referred to and finally resolved by arbitration under the LCIA Rules which will be deemed to be incorporated by reference into this clause, save for any waiver of any rights the parties would otherwise have to any form of appeal or recourse to a court of law or other judicial authority, which rights are expressly reserved. The number of arbitrators shall be three. The seat of the arbitration shall be London. The language of the arbitration shall be English.

A dispute arising out of or related to these Terms is personal to you and the Company and will be resolved solely through individual arbitration and will not be brought as a class arbitration, class action or any other type of representative proceeding. There will be no class arbitration or arbitration in which an individual attempts to resolve a Dispute as a representative of another individual or group of individuals. Further, a Dispute cannot be brought as a class or other type of representative action, whether within or outside of arbitration, or on behalf of any other individual or group of individuals.

ANNEX A

LFT (Life Token) Risks

By purchasing, owning, and using LFT (Life Token), you expressly acknowledge and assume the following risks:

1. Risk of Losing Access to LFT (Life Token) Due to Loss of Private Key(s), Custodial Error or Purchaser Error

A private key, or a combination of private keys, is necessary to control and dispose of LFT (Life Token) stored in your digital wallet or vault. Accordingly, loss of requisite private key(s) associated with your digital wallet or vault storing LFT (Life Token) will result in loss of such LFT (Life Token). Moreover, any third party that gains access to such private key(s), including by gaining access to login credentials of a hosted wallet service you use, may be able to misappropriate your LFT (Life Token). Any errors or malfunctions caused by or otherwise related to the digital wallet or vault you choose to receive and store LFT (Life Token) in, including your own failure to properly maintain or use such digital wallet or vault, may also result in the loss of your LFT (Life Token). Additionally, your failure to follow precisely the procedures set forth in for buying and receiving Tokens, including, for instance, if you provide the wrong address for the

receiving LFT (Life Token), or provides an address that is not ERC-20 compatible, may result in the loss of your Tokens.

2. Risks Associated with the Ethereum Protocol

Because LFT (Life Token) and the LFT (Life Token) platform are based on the Ethereum protocol, any malfunction, breakdown or abandonment of the Ethereum protocol may have a material adverse effect on the platform or LFT (Life Token). Moreover, advances in cryptography, or technical advances such as the development of quantum computing, could present risks to the LFT (Life Token) and the platform, including the utility of the LFT (Life Token) for obtaining services, by rendering ineffective the cryptographic consensus mechanism that underpins the Ethereum protocol.

3. Risk of Mining Attacks

As with other decentralized cryptographic tokens based on the Ethereum protocol, LFT (Life Token) are susceptible to attacks by miners in the course of validating LFT (Life Token) transactions on the Ethereum blockchain, including, but not limited to, double-spend attacks, majority mining power attacks, and selfish-mining attacks. Any successful attacks present a risk to the platform and LFT (Life Token), including, but not limited to, accurate execution and recording of transactions involving LFT (Life Token).

4. Risk of Hacking and Security Weaknesses

Hackers or other malicious groups or organizations may attempt to interfere with the platform or LFT (Life Token) in a variety of ways, including, but not limited to, malware attacks, denial of service attacks, consensus-based attacks, Sybil attacks, smurfing, and spoofing. Furthermore, because the platform is based on open-source software, there is a risk that a third party or a member of the Company team may intentionally or unintentionally introduce weaknesses into the core infrastructure of the platform, which could negatively affect the platform and LFT (Life Token), including the utility of LFT (Life Token) for obtaining services.

5. Risks Associated with Markets for LFT (Life Token)

If secondary trading of Tokens is facilitated by third party exchanges, such exchanges may be relatively new and subject to little or no regulatory oversight, making them more susceptible to fraud or manipulation. Furthermore, to the extent that third-parties do ascribe an external exchange value to LFT (Life Token) (e.g., as denominated in a digital or fiat currency), such value may be extremely volatile.

6. Risk of Uninsured Losses

Unlike bank accounts or accounts at some other financial institutions, LFT (Life Token) are uninsured unless you specifically obtain private insurance to insure them. Thus, in

the event of loss or loss of utility value, there is no public insurer or private insurance arranged by Company, to offer recourse to you.

7. Risks Associated with Uncertain Regulations and Enforcement Actions

The regulatory status of LFT (Life Token) and distributed ledger technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether regulatory agencies may apply existing regulation with respect to such technology and its applications, including the LFT (Life Token) platform and LFT (Life Token). It is likewise difficult to predict how or whether legislatures or regulatory agencies may implement changes to law and regulation affecting distributed ledger technology and its applications, including the platform and LFT (Life Token). Regulatory actions could negatively impact the platform and LFT (Life Token) in various ways, including, for purposes of illustration only, through a determination that the purchase, sale and delivery of LFT (Life Token) constitutes unlawful activity or that LFT (Life Token) are a regulated instrument that require registration or licensing of those instruments or some or all of the parties involved in the purchase, sale and delivery thereof. The Company may cease operations in a jurisdiction in the event that regulatory actions, or changes to law or regulation, make it illegal to operate in such jurisdiction, or commercially undesirable to obtain the necessary regulatory approval(s) to operate in such jurisdiction.

8. Risks Arising from Taxation

The tax characterization of LFT (Life Token) is uncertain. You must seek your own tax advice in connection with purchasing LFT (Life Token), which may result in adverse tax consequences to you, including withholding taxes, income taxes and tax reporting requirements.

9. Risk of Competing platforms

It is possible that alternative platforms could be established that utilize the same open source code and protocol underlying the platform and attempt to facilitate services that are materially similar to the LFT (Life Token) services.

10. Risks Arising from Lack of Governance Rights

Because LFT (Life Token) confer no governance rights of any kind with respect to the LFT (Life Token) platform or the Company, all decisions involving the Company's products or services within the platform or the Company itself will be made by the Company at its sole discretion. These decisions could adversely affect the platform and the utility of any LFT (Life Token) you own, including their utility for obtaining services.

11. Unanticipated Risks

Cryptographic tokens such as LFT (Life Token) are a new and untested technology. In addition to the risks included in this Annex A of these Terms, there are other risks associated with your purchase, possession and use of LFT (Life Token), including unanticipated risks. Such risks may further materialize as unanticipated variations or combinations of the risks discussed in this Annex A of these Terms.
